WHAT IS SPEEDWAY?

Speedway is West Lothian's most spectacular team sport!

A speedway match sees two teams of seven riders on 500cc motorcycles battle over 15 races of action on a tight dirt oval track.

Two riders from each side contest each race over four laps with the winner taking three points, second takes two, third takes one, and last takes nothing.

The scores are added up with the team with the most points after 15 races being the winner ...and the bikes have no brakes!

A lion mascot with a red mane and orange face, wearing a blue beret with a gold crown and a blue jacket with white lace. The lion is holding a blue and yellow checkered flag. The background is a blurred blue stadium.

The Club also encourages the next generation of talent to enjoy the sport through Monarchs Speedway Academy, creating opportunities for local young people.
